PILA 47

RUBELLI 2025

Pila 47 è una poltrona tessile creata in esclusiva per Rubelli dai designer Paolo Emanuele Nava e Luca Maria Arosio, fondatori del Nava+Arosio Studio.

Rappresenta un nuovo concetto di seduta in cui il tessuto è il protagonista principale. Interamente tessile, completamente fatta a mano. Apparentemente priva di struttura, Pila 47 cambia aspetto di continuo: aperta, è una pura forma geometrica, ma quando il giusto lato si piega, diventa una sedia confortevole.

Pila 47 is a fabric-covered armchair designed for Rubelli by the designers Paolo Emanuele Nava and Luca Maria Arosio, founders of Nava+Arosio Studio.

Pila 47 is a new seat and a new way of seating, where textile is the main feature. All textile, entirely hand-made. Apparently unstructured, Pila 47 continuously changes its shape: when opened it is a pure geometric form, but when the proper side is lowered it becomes a comfortable chair.
